DO YOU NEED HOPE?

Hope is the confident expectation of good things to come. God gave Israel hope by promising them a land flowing with milk and honey. In that promise the people of Israel found on-going joy and enduring strength for their journey. They confidently expected a better day was coming.

Hope is essential to life. When hope dies, life dies. Without hope, life means nothing. The will to live fades. We no longer believe that joy will come with the next sunrise or the next 10,000 sunrises.

We all lose hope at times. When we do, it is always because our hope is not resting on the one sure source of enduring hope—the Word of God. We may think it is, but in close examination, we discover that it isn't. God gave us his Word, the Scriptures, that we might have hope. "For everything that was written in the past was written to teach us, so that through endurance and the encouragement of Scriptures, we might have hope." Romans 15:3

You may find yourself in a state of hopelessness, ready to give up on life. The gloomy dungeon of fear, doubt, guilt, sadness or depression may be your present experience. Dark clouds may hover over you. No light may shine in your darkness. But remember, there is hope and hope can triumph in your life. But remember also, it will come through God's Word, the Scriptures. If we are willing to sit humbly and honestly before the Scriptures, God will give us hope and we will dwell in the contentment of the joy and peace of God that flows from his hope.

"May the God of all hope fill you with all joy and peace as you trust in him, so you may overflow with hope by the power of the Holy Spirit." Romans 15:3

Our Mission

The Showing of the Secrets of Jonathan Sperry

After a month of anticipation, our mission work began Friday, September 18th with the first viewing of the Secrets of Jonathan Sperry at the Myrtle Beach Mall Cinema Complex at 1:15 PM.

Our thanks to all the church members who came out in support of this mission work by attending the movie and especially those of you who were on hand to pass out the beautiful tracts as folks left the theatre.

A special thank you goes out to the North Myrtle Beach Christian School, its administration, teachers and students for the wonderful turnout this past Tuesday. Over 90 parents, students and teachers viewed the movie which made for the wonderful Tuesday results.

The number in attendance has been good considering the time of year and we are happy to report that the theatre has extended the movie for an additional 7 days of viewing. Please encourage anyone who has not seen the movie to do so in the next few days.
