Homecoming at Wampee Baptist Church

Sunday, September 13, 10:30 A.M.

Homecoming is our annual celebration of the founding of our church. This Homecoming will recognize 127 years of God's blessings upon the work which was established here in 1882. It causes us to stop and realize that the faith demonstrated well over 100 years ago by our forbearers impacts our lives today, and, therefore, what we do in our moment of opportunity will bless those who follow us. Let us not only celebrate, but dedicate ourselves anew to planting seeds that a future generation may harvest. To God Be the Glory!

Come and bring family and friends!
Come with a joyful heart!
Come with your special dishes—salads, vegetables, meats, desserts, etc.
Come to worship God through Jesus the Son!
